WINE MENU

The following wines from our wine list have been checked and are suitable for a vegan diet.

WHITE WINE

Chenin Blanc from South Africa – *This fruity little number is best described as off-dry.*

Pinot Grigio from Italy – *The most popular grape around, dry with just a dash of spice.*

Gewurztraminer/Riesling from Australia – *As medium as they come.*

RED WINE

Malbec from Argentina – *The Malbec grape is not dissimilar to Merlot, add a splash of spice & your about there.*

Carmenere, from Chile – *The Carmenere grape is deep and richly flavoured but still soft on the palate.*

The Curator Red from South Africa – *This is amazing! It is rich and full flavoured with black fruits and subtle spice.*
